The History of the Crèche

The story of the origin of the Christmas crèche rests with the very holy man, St. Francis of Assisi.

In the year 1223, St. Francis, a deacon, was visiting the town of Greccio to celebrate Christmas. Greccio was a small town built on a mountainside overlooking a beautiful valley. St. Francis realized that the chapel of the Franciscan hermitage would be too small to hold the congregation for Midnight Mass. So he found a niche in the rock near the town square and set up the altar. However, this Midnight Mass would be very special, unlike any other Midnight Mass.

St. Bonaventure describes what St. Francis did on that Christmas Eve like this: "Then he prepared a manger, and brought hay, and an ox and an ass to the place appointed. The brethren were summoned, the people ran together, the forest resounded

with their voices, and that venerable night was made glorious by many and brilliant lights and sonorous psalms of praise. The man of God [St. Francis] stood before the manger, full of devotion and piety, bathed in tears and radiant with joy; the Holy Gospel was chanted by Francis, the Levite of Christ. Then he preached to the people around the nativity of the poor King; and being unable to utter His name for the tenderness of His love, He called Him the Babe of Bethlehem."

Thank you St. Francis! And may God bless you all this Christmas!
