Sharing God's Love Through Action By Debbie Kaluza, Director

Pope Francis says "To change the world we must be good to those who cannot repay us." He asks us to serve others, and to share God's love with those less fortunate than ourselves. In that same spirit, the St. Ann Children's Religious Education students have been taking part in some wonderful service projects designed to teach them how to show kindness to others, and to experience the joy of giving and serving. Thank you to all of the catechists, parents and children who participated in the Advent Service projects! We look forward to sharing some of the other service projects that will take place in the coming months! God bless your kindness!

Second grade students made cards and delivered them to the residents of Sandy Lake Rehab Center. They also sang Christmas carols and brought much joy to the people they met!

Helpful tip: Make a New Year's Resolution to go to Mass more often, or to pray together as a family every day!
